

Postcard/Letter Example

Hi Robert,

My name is Betty. I am a retired schoolteacher. I live nearby and have recently become more involved in politics because my son is severely disabled and the Medicaid he depends on is threatened by Republicans. I have joined a group called Indivisible Winchester and we are volunteering to encourage more Democratic and progressive voters in House of Delegates District 29 to participate in the November election. I would very much like to chat with you about why this election is so important. I am going to reach out by phone in the next week or so. I hope we get a chance to connect.

Sincerely,
Betty
